

The **UNIVERSAL** Solution for Blind Door Warehouse Intersections

SENSOR

5' LED STRIP

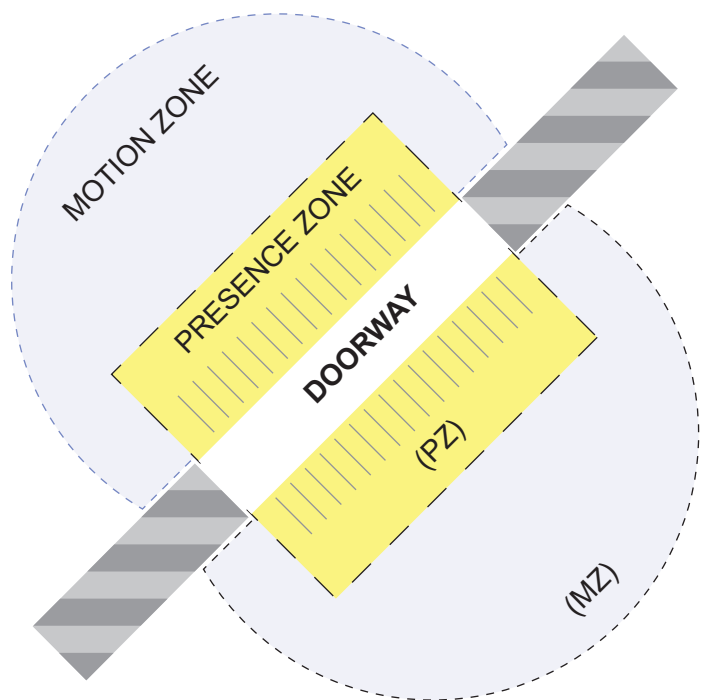

MADE IN USA

**BLIND DOOR
LIGHT KIT (BDLK)**

Every Blind Door Should be Lighted for Safety!

EFFECTIVE

The Blind Door Light Kit (BDLK) is a traffic control system that regulates pedestrian and forklift traffic in warehouse doorways. When multiple participants approach a doorway simultaneously, the LED Controller reviews the incoming triggers and makes decisions about the order in which to allow passage.

DURABLE

Our super-tough IP68-rated LED light strips, marine-grade wiring, and stainless steel hardware ensure long life even in the harshest conditions. Can endure temperatures from as low as -60°F up to 165°F. Our 3-year warranty is the best in the industry!

CUSTOMIZABLE

Our patented LED Controller is the Brain of the System. It was designed & built in-house by our highly-skilled Engineering Team who stands ready to help craft a custom-designed solution that best suits your application's needs.

SUPPORTED

Our unique cutting-edge technology makes your old or new doors safer than ever. Field programming of our patented LED Controller is quick and easy. Our outstanding technical support staff ensure every project is a success.
